

GET THE LIFE SKILL THAT CAN MAKE A WORLD OF DIFFERENCE.

Why is First Aid training so important?

We all know First Aid can mean the difference between saving a life or losing one. It is the first and most immediate assistance given to any person suffering from a minor or serious illness or injury.

First Aid preserves life

Its purpose is to preserve life, prevent the condition from worsening or to promote recovery. Knowing First Aid provides learners with a life skill that can make a world of difference to your staff and clients, a member of the public, a work colleague or – most importantly – a loved one.

Become trained in First Aid

Our courses are delivered by instructors dedicated to ensuring that learners leave the classroom confident in their ability to provide First Aid. Our classes are small, fun, and practical. The course is NZQA-approved, and all credits are registered with NZQA.

FIRST AID COURSES

Basic First Aid

(Unit Standards 6401 and 6402)

This course is ideal for those who want to be prepared in a First Aid situation or for those who work with the public.

Delivery: Classroom

Duration: 8 hours

Price: \$160 (incl GST)

Comprehensive First Aid

(Unit Standards 6400, 6401, 6402)

This course is designed for those who hold a designated workplace First Aider role or those working in Early Childhood Education (ECE) and schools.

Delivery: Classroom

Duration: 2 days (12 hours)

Price: \$200 (incl GST)

First Aid Refresher

This course refreshes the knowledge and skills gained on either the Basic or Comprehensive courses. It should be completed within 2 years and 3 months of having completed the original course. A current certificate must be submitted to C4 when booking the course. If the certificate is outside the above timeframe, a full course is required.

Delivery: Classroom

Duration: 6 hours

Price: \$85 (incl GST)
